MANY Years now paſt this Book was begun by two wholeſale Bookſellers, who employed a Perſon to enquire at every reputable Houſe in London. Since that time the Copy Right has been aſſigned over to freſh Partners, and the ſame Enquiry has been repeated in London, and extended to Weſtminſter, Southwark, and the Environs, in a Manner unpractiſed before; and the Whole digeſted in true Alphabetical Order, which has given it the Advantage over other Imitators of this Work. The Parties intereſted thank the Public for their Favours, which they will ever ſtrive to deſerve, and now beg the Merchants, and others, will pleaſe to obſerve, that thoſe Names which frequently occur, ſuch as *Smith*, *Brown*, &c. for the more readily turning to the Perſon wanted, are ſet down in the following Manner: Firſt, ſuch as are in Partnerſhip, and the others according to the Alphabetical Order of their Chriſtian Names. The Courts and Streets of little Note are deſcribed by their Affinity to ſome well-known Street, in order to aſſiſt thoſe who are unacquainted with the minute Parts of the Town.

As this Book will be publiſhed Annually, the Public may be aſſured that the utmoſt Care ſhall be taken to render every future Edition as correct as poſſible; and whatever Alterations may take place in the Firm of any trading Houſe, or by Deaths, Removals, &c. an Account of them ſent to T. LOWNDES, at N° 77, in Fleet Street, will be thankfully received, and duly attended to.
